Hi Nick,

Thanks for the slide deck. If possible, could you adjust to include an overview of NDOW? We need to five Ws answered; followed by the ESF-10 rapid needs... I'd also greatly appreciate a few more screen shots showing levels of data available (one incident COP for all associated agencies). I hope that makes sense.

Pls let me know if I can answer any questions.

Have a great mtg tomorrow. Onward and upward!

Mike, see the attached presentation, and let me know if this answers your question or if we need to develop something additional?

Hi Nick!

Would you be available for a ESF-10 "scoping" discussion with myself and NSF personnel? Pls let me know your availability and I'll send a calendar invite. Thx!
